Sub: Extension of approval to Shri Ram College Of Engg. & Mgt. Infront Of Railway Station Banmore - 476 444 Madhya Pradesh for the year 2005-06-reg.

Sir/ Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that quality of courses is not compromised and stakeholders are satisfied. The Council also undertakes an annual Inspection of the institutions and conveys deficiencies to them for rectification.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be complacent about taking steps to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortcomings

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio and qualification etc) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio and requisite qualification. Course-wise approved intake in respect of Shri Ram College Of Engg. & Mgt., Infront Of Railway Station Banmore - 476 444 Madhya Pradesh, your institution for the year 2005-06 is as under: -

| COURSE (S)                          | APPROVED INTAKE<br>2004-05 | APPROVED INTAKE<br>2005-06 |
|-------------------------------------|----------------------------|----------------------------|
| ELECTRONICS & INSTRU ENGG           | 60                         | 60                         |
| COMPUTER SCIENCE & ENGINEERING      | 90                         | 90                         |
| ELECTRONICS & TELECOMM ENGINEERING  | 90                         | 90                         |
| INDUSTRIAL & PRODUCTION ENGINEERING | 60                         | 60                         |
| MECHANICAL ENGINEERING              | 120                        | 120                        |
| TOTAL                               | 420.                       | 420.                       |

Note: - Additional intake/new courses/PIO quota not granted on account of deficiencies in respect of running existing courses/intake.

Based on the request made by the institute, the MCA programme sanctioned during 2004-05 vide Council's letter of even no. dated 26-06-04, has been withdrawn vide letter of even no. dated August 2, 2005

The above approval is subject to your rectification of deficiencies latest by August end, 2005. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by 31<sup>st</sup> August, 2005 to entitle your institution for extension of approval for the year 2006-07.

The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of demand draft in favour of **Member Secretary, AICTE** payable at New Delhi. In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
